### Online Donor Instructions

1. If you have not already done so, register as a walker at: <http://www.fundeasy.com/e/21349/> and set up a personal fundraising page. This only takes a couple of minutes! (If you need assistance ask your team captain or call 785-776-9406.)
2. Donors can give online on your fundraising page—just share the link for your page with them through email, text, or on social media.
3. Use this sheet to record the physical donations that are handed to you throughout the fundraiser! Please record on this page all cash and check donations you receive before the day of the walk. You can also record these donations on your online fundraising page as “offline donations” so the total on your online fundraising page accurately reflects ALL your donations! Do this by logging into your fundeasy page, clicking the option to add offline donation, and entering the correct information.
4. Bring this sheet and the collected cash/checks in the provided envelope with you the day of the walk to turn into your team captain!
